Sweat for Good Year 2 Campaign

JOIN THE EFFORT

Last August, 60 challengers raised \$30,000 for 5 wheelchairs during the #jdjchallenge.

An **anonymous donor** has pledged to **match up to \$50,000** of what we raise from this year's campaign. That means your effort and donations will have **double the impact** from the start.

Will you join us once again and complete a personal month-long physical challenge to raise funds for our **pediatric wheelchair program**?
